

## **FISCAL NOTE**

### **SB 3020 – HB 3356**

February 18, 2008

**SUMMARY OF BILL:** Amends zoning requirements regarding off-site signs by requiring a standard eight-sheet poster shall not be expanded, other signs may only be expanded to the next dimensional category, and a structure rebuilt on the same site must conform to the provisions of the existing zoning regulations.

#### **ESTIMATED FISCAL IMPACT:**

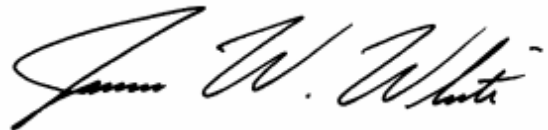

**Foregone Local Revenue – Not Significant**  
**Increase Local Revenue – Not Significant**  
**Decrease Local Expenditures – Not Significant**

Assumptions:

- The local government revenue foregone caused by not receiving permit fees for eight-sheet posters will be offset by the decrease in expenditures for administrative costs regulating the permit fees.
- Other signage zoning requirements can be absorbed into the existing regulatory structure and any increase in local government revenue will not be significant.
